CLUB NOTES

THAT FIRST AWAY WIN AT LAST

Things are looking up ! That so elusive first North End away win at last is on record — welcome compensation indeed for the loss of our first home points the previous week versus Carlisle who, by winning their next match, were joint leaders of Division II this morning with 27 points. Well done, Carlisle, who, we must say, fully deserved their fine victory at Deepdale and gave our spectators rousing entertainment with a splendid exhibition of fast, go-ahead, attacking football.

A well-knit, spirited side from back to front, the Brunton Park lads adapted themselves much better to the sticky surface than P.N.E. who were a bit flattered to lose by only the odd goal, thanks to a good last minute goal by Nobby Lawton.

It was a treat to see a visiting team, as a welcome change, going all out for attacking, instead of trying to "board up" their goal and resort to negative tactics in the hope of saving a point or snatching a win. Carlisle are to be complimented on their faith in the original purpose and spirit of the game which is to get goals.

We were also that way inclined, doing plenty of raiding, but the build-up was too laboured and Carlisle provided an object lesson in more direct action and decisive opportunism. However, our team profited from that lesson in the next match at Northampton by putting similar ideas into execution and playing as we know they can play. The outcome was a magnificent 5-1 win, our best in away matches since Ipswich were beaten by that score in our first away game of 1963-64 season. We also achieved a double against relegated Northampton.

CLUB NOTES—continued

What a relief it was to all concerned, considering that our previous away win was at Bolton by 3-1 as long ago as March 16th. Since then we have played two Cup-ties and 16 League games away, winning one (last Saturday), drawing two, and losing 15.

Actually North End did not play any better in approach at Northampton than at Bristol and Wolverhampton in the two previous away games, but the finishing was a lot better and the result certainly more faithfully represented our mid-field superiority in lengthy periods.

It may be that having got that 100 per cent home record off their minds, the players felt considerably less tension and were able to play in a more relaxed manner, free from the anxiety which so often leads to mistakes in defences and lapses in finishing by the forwards.

NO BANNERS OR FLAGS AT DEEPPALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the ground, at either first or second team games.

Experience has proved that banners and the like are a source of irritation and danger to many supporters. To obviate friction of this kind spectators are asked not to bring banners or flags to games at Deepdale.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—Bury

There is always the warmest of welcomes at Deepdale for sporting Bury, the proud Lancashire club with the little name and big heart who have a worthy record in League and Cup football for a town of Bury's size — they are not called the "Shakers" for any other reason than their habit of handing out unexpected shocks to their opponents.

Bury are perhaps proudest of their F.A. Cup record of 10 goals without reply in two Cup Finals — their 6-0 win against Derby County in 1903 (a record for a Cup Final) and 4-0 versus Southampton three years earlier. In their second Cup winning run they scored 12 goals without reply.

Bury were formed in 1885 after a public meeting to enlist support, and in 1894 were elected to the League Division II, when this section was increased to 16 clubs. Leicester Fosse (now Leicester City) were also newcomers in that season.

This was when Bury first became known as the "Shakers" for they were promoted as champions after their first season, though only through the outcome of the test matches played in those days between the First Division bottom two and the top two in Division Two. Liverpool took their place in the lower division, but went back the following season, again as a result of test matches.

Bury stayed 17 seasons in the top flight with fifth position their highest in the championship, then had eight seasons in Division Two. Back in the top flight for five

years — they dropped out again in 1929 and never returned. In fact in 1957 they had their first taste of Division III.

Times have been hard for gallant Bury since then, but they keep on producing good players and are a credit to the game. Last season they had a struggle to escape relegation and unfortunately are in a similar position this season, with only 17 points from 21 matches.

BURY PLAYERS

Neil Ramsbottom (*goalkeeper*). Capable young performer who hails from Blackburn and has taken over from Chris Harker for the time being.

Vinny Leech (*right back*). Former tenacious wing half converted into a more defensive role. Played in 34 League games last term. Signed from Blackburn Rovers.

Brian Eastham (*left back*). Tall, lean and wiry at 6ft., 11st. 11lb. Born at nearby Bolton. In and out of the League side last season, but is well past the 150 mark in first team games. Best features are his composure and good positioning.

Brian Turner (*right half*). Bury's longest-serving player, made his bow eight years ago and has proved one of the most reliable wing halves the club have had. Tough and relentless and nearing his 300th League outing. Brought up in Salford.

Colin Waldron (*centre half*). Native of Bristol and a newcomer this season in the Gigg-laners' League team. Bury is his first senior club. Another six footer.

Eddie Colquhoun (*left half*). Former Scottish youth international centre half, is a versatile young player who was signed from a Scottish Junior Club, Edinburgh Norton in 1962. Born at Prestonpans, nine miles outside Edinburgh, but married a Bury girl.

Tommy Claxton (*outside right*). Began with Bury as an amateur in 1961 after being brought to the club for a trial by Leech. Previously given a run as an amateur at Burnley when playing for the Roche Valley Boys' team.

George Jones (*inside right*). A great favourite at Bury and very welcome back on being re-transferred to his old club after a short spell with Blackburn Rovers. Bury were loth to let him go in the first place. Tall (5ft. 11ins.) scheming type of forward with a knack of snapping goals, he scored 10 in his 18 First Division games last term.

Bobby Owen (*centre forward*). Another forward very familiar to the Bolton neighbourhood, hailing from Farnworth. A Bury product and a likely lad who scored five goals in his 13 League games last season. But on the light side at 5ft. 9ins., 10st. 13lb.

Ray Parry (*inside left*). Well-known on the Lancashire scene through previous service with Bolton Wanderers and Blackpool, whom he helped to avoid relegation four years ago, thereby justifying a £25,000 fee.

Alec Lindsay (*outside left*). Instantly recognised on-field through his mop of ginger hair and his powerful style of attacking play.

Please note that consequent upon some necessary structural repairs these Stiles will be closed until further notice. Admission to the Pavilion Paddock will be through Stiles 52, 53, 54, 55 and 56 at the South East corner of the Ground. Any inconvenience to Supporters is regretted, but these Stiles will be re-opened at the earliest possible moment.

We have complaints from Holders of West Stand Reserved Seat Season Tickets regarding delay in getting on to the Stand on 1st Team Match days. We have some 1,200 admissions through three Stiles at 1st Team Games, the majority arriving close on kick-off time, which makes it difficult for all to be admitted in time for kick-off. It would be of benefit to all West Stand Ticket Holders if Supporters would make a special effort to arrive a little earlier, thereby minimising the congestion at kick-off time.

WARNING TO YOUNG SUPPORTERS

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during several recent matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
